The Michigan Department of Correction Chooses JST

The Michigan Department of Correction has today purchased from Job Skill Technology, Inc. (JST) over 750 additional Destination Licenses for their prison education program. In addition they have extended JST's service and support contract for the fourth consecutive year. MDOC now has this software available to all student/inmates and it is now being utilized for their ABD, GED, and prevocational programs at all Michigan's 48+ prisons.

JST was awarded this contract based on our long history of success with the Destinations product and our commitment to service and support of our customers.

Job Skill Technology, Inc. is headquartered in Auburn Hills, MI and specializes in providing technology, curriculum, service and support for education and training.
