Beecher Selects JST and Plato for Computer-aided Instruction

Job Skill Technology, Inc. (JST, Inc.) is proud to announce that Beecher Schools has selected JST, Inc. and PLATO Learning for computer-aided instruction. PLATO's award-winning, age-appropriate content is being used by middle and high school students to help gain knowledge in Math, Science, Language Arts and Social Studies. Staff has found the program easy to use and easy to administer. Students are utilizing PLATO for remediation, credit recovery and test preparation. They find that the content is engaging and allows for self-directed, individualized instruction. JST, Inc. provides local service and support to help the district to maximize its investment.

Job Skill Technology, Inc. is a leading solution provider of computer-based learning and educational tools for pre-kindergarten through adult learners. The company specializes in software, assessment and accountability solutions, e-learning, and hardware with special emphasis on technical support and training.

The company serves K-12 schools, alternative and adult education, state and local government, colleges and universities, correctional institutions, job training programs, corporations, and private industry.

Job Skill Technology, Inc. is headquartered at 1000 N. Opdyke Road, Suite D-2, Auburn Hills, Michigan 48326, 800-783-5780.
