JST continues partnership with Michigan Department of Corrections

Job Skill Technology, Inc. (JST) continues partnership with Michigan Department of Corrections.

Michigan Department of Corrections has again selected Job Skill Technology, Inc. (JST) to provide service and software support for the states 47 + prison education programs. JST has provided one-stop service, support, and software for Michigan's Corrections System for over 8 years. The contract with JST was extended based on the specialized knowledge of the various computer programs utilized by the Department of Corrections and the ability to work with the teachers on those programs to maximize utilization.

Job Skill Technology, Inc. is a leading solution provider of computer-based learning and educational tools for pre-kindergarten through adult learners. The company specializes in software, assessment and accountability solutions, e-learning, and hardware with special emphasis on technical support and training.
