Montcalm Purchases Plato for Michigan Corrections Schools Program

Job Skill Technology, Inc., (JST) announced today that Montcalm Community College purchase over 160 licenses of Plato's GED/Workforce Development Software to add 11 additional sites of the Michigan Department of Corrections YOP Education Program that they currently operate in 15 other facilities across the state. The Plato courseware provided by JST has become the foundation for the education curriculum for Michigan's Correctional Education Program and JST is proud to have worked with MDOC for the last 14 years. We have now implemented this software in the majority of Michigan's 45 Correctional Facilities.
