## Oakland Community College Doubles Plato Use

Job Skill Technology, Inc. (JST, Inc.) is proud to announce that Oakland Community College has doubled the number of their PLATO Learning licenses and converted to Internet delivery of the award-winning PLATO curricula. Students now have the ability to run the program from various campuses, creating true online learning opportunities. PLATO's content provides age-appropriate, self-directed learning paths for Oakland Community College students. The increased capacity and flexibility will help OCC staff and students to maximize use of the PLATO product. The College is pleased to work closely with JST, Inc., their local partner for technical support, training and implementation activities.

Job Skill Technology, Inc. is a leading solution provider of computer-based learning and educational tools for pre-kindergarten through adult learners. The company specializes in software, assessment and accountability solutions, e-learning, and hardware with special emphasis on technical support and training.

The company serves K-12 schools, alternative and adult education, state and local government, colleges and universities, correctional institutions, job training programs, corporations, and private industry.

Job Skill Technology, Inc. is headquartered at 1000 N. Opdyke Road, Suite D-2, Auburn Hills, Michigan 48326, 800-783-5780.
