Westwood Heights Selects JST and Plato for Credit Recovery

Job Skill Technology, Inc. (JST, Inc.) is proud to announce that Westwood Heights School District in Flint, MI has selected JST, Inc. and PLATO Learning to support remediation, enrichment and credit recovery programs for students. The program is being used during the summer session and will continue throughout the school year. The district has made a long-term commitment to delivery of computer-aided instruction by purchasing the software and hosting it locally. PLATO on-line curricula will be delivered to the students via the Internet. The content ranges in skill levels from K-12 and the district plans to maximize use of the licenses to reach students at various academic levels. JST, Inc. will provide on-going support to the staff at Westwood Heights.

Job Skill Technology, Inc. is a leading solution provider of computer-based learning and educational tools for pre-kindergarten through adult learners. The company specializes in software, assessment and accountability solutions, e-learning, and hardware with special emphasis on technical support and training.

The company serves K-12 schools, alternative and adult education, state and local government, colleges and universities, correctional institutions, job training programs, corporations, and private industry.

Job Skill Technology, Inc. is headquartered at 1000 N. Opdyke Road, Suite D-2, Auburn Hills, Michigan 48326, 800-783-5780.
